

# XX International User Conference of GeoInformation Systems & Remote Sensing

13.11.2019

09:30 Registration of participants

09:55 Opening of the conference and welcome speech

**Head of Session – G. Gotsiridze**

10:00 – 10:30 M. Khurtsidze

*“GeoGraphic” - Projects and Results of the Year (GeoGraphic)*

10:30– 11:10 I. Koeppel

*What’s New from Esri in 2019 (Esri)*

11:10 – 11:40 A. Durand

*See More Detail with 30 cm Satellite Images Acquired by European Space Imaging (European Space Imaging)*

11:40– 12:10 Coffee Break

**Head of Session – M. Khurtsidze**

12:10 – 12:40 A. Krasovski

*New Technologies of Trimble (Trimble)*

12:40– 13:10 L. Dadojonov

*TomTom: History, achievements and mission of the company (TomTom)*

13:10 - 13.40 V. Zaytsev

*Leica Geosystems Technologies for Airborne Surveying and 3D City Modelling (Leica Geosystems)*

13:40– 14:10 Coffee Break

**Head of Session – G. Gotsiridze**

14:10 – 14:25 G. Gotsiridze

*GIS in Spatial Arrangement and City Planning (GeoGraphic)*

14:25 – 14:55 T. Chibukhchyan

*The Impact of Master Plan on Socio - Economic Development in Rural Areas (Yenokavan Development Foundation)*

14:55 – 15:10 L. Tumanishvili

*Novelties of Georgian Cultural Heritage Database Management*

G. Khaburzania

*System Development and Existing Challenges (National Agency of Cultural Heritage Preservation)*

15:10 – 15:25 I. Ugulava

*Web GIS Portal and Development of Cultural Heritage Database Web Services (Geoland)*

15:25 – 15:40 G. Kirkitadze

*Close Range Aerial Photogrammetry for Rock-Hewn Cultural Heritage Monuments, Documentation and Monitoring of Landslide Gravitational Processes (Research Center for Cultural Heritage and Environment, Iliia State University)*

15:40 – 15:55 L. Chikava

*GIS Application in Real Estate(Colliers International Georgia)5*

15:55– 16:25 Coffee Break

**Head of Session – M. Khurtsidze**

16:25 – 16:40 N. Arevadze

*Geoinformation System of Schools of Georgia (Education Management Information System)*

16:40 – 16:55 T. Papachashvili

*GIS Application in Forest Management (GeoGraphic)*

E. Khokhiashvilli

16:55 – 17:10 Sh. Pkhakadze

*Geodetic and Cadastral Surveys (TerraGraphic)*

17:10 – 17:25 N. Cheishili

*Modern Surveing Programs with GIS Functionality (Tbilisi Group)*

17:25 – 17:40 M. Narsia

*Use of Geoinformation Systems for Issuing Construction Permits and Supervision on Constructions (Technical and Construction Supervision Agency)*

17:40 Discussion and Conference Closing
