

XVIII International User Conference of GeoInformation Systems & Remote Sensing

10.11.2017

09:30 Registration of participants

09:55 Opening of the conference and welcome speech

Head of Session – G. Gotsiridze

10:00 – 10:30 M. Khurtsidze

“GeoGraphic” - Projects and Results of the Year (GeoGraphic)

10:30– 10:45 N. Dikhaminjia

What’s New in ArcGIS (GeoGraphic)

10:45– 11:30 R. Lucchi

Web GIS: Symphony of Apps (Esri)

11:30– 12:00 Coffee Break

Head of Session – M. Khurtsidze

12:00 – 12:30 V. Zaytsev

*Modern Technologies of Aerial Survey and 3D Cities Mapping
(Leica Geosystems)*

12:30 – 13:00 E. Aliyev

Earth observation capabilities of Azercosmos (Azercosmos)

13:00– 13:15 T. Samkharadze

Geoinformation Systems in Aviation (Sakaeronavigatsia)

13:15– 13:30 Sh. Pkhakadze

Geodetic and Cadastral Surveys (TerraGraphic)

13:30– 13:45 T. Bagratia

Natural Disasters Management and GIS Technologies (National Environmental Agency)

13:45– 14:15 Coffee Break

Head of Session – M. Khurtsidze

14:15 – 14:30 N. Migriauli

Forest and Land Use Support System (Global Forest Watch)

14:30 – 14:45 G. Kirkitadze

*Using Close-Range Aerial Multispectral Photogrammetry for Identification of
Archaeological Sites (Ilia State University)*

A. Nadaraia

G. Asatiani

M. Elashvili

14:45 – 15:00 G. Shengelia

*Development and Implementation of GIS Solutions in Gas Utilities
(Socar Georgia Gas)*

M. Fandoeva

15:00 – 15:30 H. Yeritsian

*GIS of Water Supply and Sewerage Structures for State Committee for Water
Economy of Armenia (AARC)*

15:30 – 15:45 G. Talakhadze

*Tbilisi City Hall Interactive Map (Municipal Services Development Agency,
Tbilisis City Hall)*

15:45 – 16:00 G. Maghradze

Urban Development of Old Tbilisi (Tbilisi Development Fund)

16:00– 16:30 Coffee Break

Head of Session – G. Gotsiridze

16:30 – 16:45 L. Tumanishvili

*Cultural Heritage Data Management Geoinformation Systems and GIS Portal
(National Agency of Cultural Heritage Preservation)*

G. Khaburzania

16:45– 17:00 N. Kartskhia

Geoinformation Systems at National Food Agency (National Food Agency)

17:00 – 17:15 A. Manelashvili

*Role of GIS System in Farm’s Registration Project (Food and Agriculture
Organization of the United Nations)*

17:15 – 17:30 K. Balanchivadze

*Use of Geoinformation Systems for Issuing Construction Permits and Supervision
on Constructions (Technical and Construction Supervision Agency)*

16:55 Discussion and Conference Closing
